# BLACKHAWK

SHOOTING SPORTS

---

## New Corporate Membership Information

Our Corporate Membership is designed for groups and companies that support their employees participating in shooting sports. (i.e. Police Departments, etc.)

It allows businesses to provide a valuable benefit for their employees without costing the business itself any money. So the employees get to shoot at Blackhawk for a highly discounted rate, and your corporation provides a practical, useful, and safe benefit to your employees. It's a win-win!

What exactly do Corporate Members get with this new membership?

The benefit is straight and to the point: **a free pass to use our state-of-the-art range, (almost) whenever you'd like.**

### Cost:

Corporate Memberships must be purchased for a minimum length of 1 year. The total cost comes to \$240/person, which breaks down to the very low cost of ***\$20/month*** and provides members with virtually unlimited shooting (see Limitations below for details).

### Limitations:

Range time is used in 1 hour increments unless prior arrangements are made with Blackhawk Management. Maximum of 2 people per lane. No guest passes included with a Corporate Membership. Corporate Membership does not include range time for leagues, competitions, or events unless the events are specifically prearranged corporate events.

### Membership Rules:

- Corporate Membership groups must consist of 4 or more people. Members must be paid employees of the sponsoring corporation/entity.
- The option to add your spouse to this plan is subject to approval by Blackhawk Management, and the same Corporate Membership rates would apply to that spouse.
- There must be a designated contact person for each Corporate Membership group. This designated contact member is responsible for filling out a roster of the Corporate Members of that group, including updates to the list whenever additions or subtractions are made.
- Subject to Blackhawk Management approval, additions can be made to the Corporate Membership group's roster at any time. The new member is responsible for paying \$20/month for the rest of the Corporate Membership group's yearly contract. Subtractions from the roster will not be eligible for a refund.
- Replacements for members may be allowed if approved in advance by Blackhawk Management.
- If Corporate Membership groups exceed 10 members, a \$50 administrative fee will be applied.
- As always, members are expected to follow Blackhawk's range rules and adhere to Blackhawk's ammunition guidelines.
